MINISTRY OF FINANCE
GOVERNMENT PROCUREMENT SERVICES AGENCY

STORES CATALOGUE

FOR THE YEAR

2025/2026

INTRODUCTION

Pursuant to Regulation 124(1-5) of the Public Procurement Regulations, 2024, it is prescribed that the Agency (Government Procurement Services Agency) shall prepare and approve a Stores Catalogue of standard items to be published and made available to the Authority and all Procuring Entities. The Stores Catalogue is a list of description of stock items to be procured and stored by the Agency during the year for resale to Procuring Entities.

It is from this requirement that the Agency has developed and put in place the current list of the stores that will or may be available in its warehouses during year 2025/2026. All PEs are obliged to order the standard items from the Agency's stores catalogue.

Nonetheless amendments shall be made whenever requirements occur and the new catalogue may be re-issued.

The Catalogue which is organized in classes' will be used by all procuring entities in making orders of office requisites from the Agency and is organized in Classes.

During the year 2025/2026, in order to ensure stores items are available all the time, the Agency intends to stock stores items that have proved to be the most needed by public institutions based on their submissions. Since the cost of maintaining and distributing slow moving items is high, GPSA will only stock items that their requirements per annum exceeds 1000 pieces, hence only 108 items qualify, other stores items which are not listed shall be acquired through framework agreements.

Hence, the Stores Catalogue for the year 2025/2026 shows list of 108 store items which procuring entities could procure straight from the Agency. The catalogue also includes a Supplementary list of 9 store items that are available at some of GPSA Regional Offices and are for sale too.

Thus, depending on the group nature of uses the items are organizes as follows:

Class: 2

Clothing items

Class: 5

Liquid Detergents

Class: 6

Office stationery

Class: 6A

Print Cartridges – Toners

Class: 50

Mechanical Stores – Fuel

THE CATALOGUE
