

THE UNITED REPUBLIC OF TANZANIA
MINISTRY OF WORKS
TANZANIA BUILDINGS AGENCY (TBA)

HOUSES FOR RENT IN MAGOMENI KOTA AREA IN DAR ES SALAAM

    @wakalawamajengotanzania

Background

The Tanzania Buildings Agency (TBA) was launched in the year 2002 as part of the Public Service Reform Program (PSRP) and in accordance with the Executive Agency Act No. 30 of 1997. The main objective of this transformation is to provide quality and affordable accommodation to the Government and the Public Servants through efficient and effective Real Estate, Consultancy and Business Services.

Establishment

The Tanzania Buildings Agency (TBA) was established under section 3 (1) of the Executive Agencies Act No. 30 of 1997 (The Tanzania Building Agency Establishment (Amendment) Order, 2023) and became operational on 17th May, 2002. The Tanzania Buildings Agency (TBA) operates as semi-autonomous Executive Agency under the Ministry of Works. The Public expects considerable improvement in construction and rehabilitation of Government buildings with respect to quality efficiency and cost effectiveness.

Residential Houses in Nzuguni B Dodoma

VISION

A Centre of excellence in provision of Government Real Estate Development and Management.

MISSION

To provide standard, quality and affordable accommodation to the government and public servants through real estate management, consultancy and construction services.

CORE VALUES

In pursuit of its mission, TBA will be guided by the following values;

- Integrity
- Professionalism
- Teamwork
- Customer Focused
- Transparency
- Value for money
- Innovativeness.

SERVICES PROVIDED

- Construction of new Government buildings,
- Maintenance of Government buildings
- Allocation of Government houses to Public Servants,
- Selling of Government houses to Public Servants on cash and loan basis,
- Provision of building consultancy services to the Government on all matters concerning building works; and
- Leasing Government houses on commercial basis.
