## About the National Audit Office

### Mandate

The statutory mandate and responsibilities of the Controller and Auditor-General are provided for under Article 143 of the Constitution of the United Republic of Tanzania of 1977 and in Section 10 (1) of the Public Audit Act, Cap 418.

### Vision

A credible and modern Supreme Audit Institution with high-quality audit services for enhancing public confidence.

### Mission

To provide high-quality audit services through modernization of functions that enhances accountability and transparency in the management of public resources.

**Motto:** "Modernizing External Audit for Stronger Public Confidence"

### Core values

In providing quality services, NAO is guided by the following Core Values:

1. Independence and objectivity
2. Professional competence
3. Integrity
4. Creativity and Innovation
5. Results-Oriented
6. Teamwork Spirit

### We do this by:

1. Contributing to better stewardship of public funds by ensuring that our clients are accountable for the resources entrusted to them;
2. Helping to improve the quality of public services by supporting innovation on the use of public resources;
3. Providing technical advice to our clients on operational gaps in their operating systems;
4. Systematically involve our clients in the audit process and audit cycles; and
5. Providing audit staff with adequate working tools and facilities that promote independence.

© This audit report is intended to be used by Tanzania Fertilizer Regulatory Authority and may form part of the annual general report, which once tabled to National Assembly, becomes a public document; hence, its distribution may not be limited.

## **1.0 INDEPENDENT REPORT OF THE CONTROLLER AND AUDITOR GENERAL**

Chairperson of the Board of Directors,  
Tanzania Fertilizer Regulatory Authority,  
P.O. Box 732,  
Dar es Salaam.

### **1.1. REPORT ON THE AUDIT OF FINANCIAL STATEMENTS**

#### **Unqualified Opinion**

I have audited the financial statements of Tanzania Fertilizer Regulatory Authority, which comprise the statement of financial position as at 30 June 2022, and the statement of financial performance, statement of changes in net assets and cash flow statement and the statement of comparison of budget and actual amounts for the year then ended, as well as the notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Tanzania Fertilizer Regulatory Authority as at 30 June 2022, and its financial performance and its cash flows for the year then ended in accordance with International Public Sector Accounting Standards (IPSAS) Accrual Basis of accounting and the manner required by the Public Finance Act, Cap 348.

#### **Basis for Opinion**

I conducted my audit in accordance with International Standards of Supreme Audit Institutions (ISSAI). My responsibilities under those standards are further described in the sections below entitled "Responsibilities of the Controller and Auditor General for the Audit of the Financial Statements". I am independent of Tanzania Fertilizer Regulatory Authority in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the National Board of Accountants and Auditors (NBAA) Code of Ethics, and I have fulfilled my other ethical responsibilities in accordance with these requirements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the financial statements of the current period. I have determined that there are no key audit matters to communicate in my report.

#### **Other Information**

Management is responsible for the other information. The other information comprises the Director's Report and the Declaration by the Head of Finance but does not include the financial statements and my audit report thereon which I obtained prior to the date of this auditor's report.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon. In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work I have performed on the other information that I obtained prior to the date of this audit report, I conclude that there is a material misstatement of this other information; I am required to report that fact. I have nothing to report in this regard.

#### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IPSAS, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

#### **Responsibilities of the Controller and Auditor General for the Audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an audit report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAI will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISSAIs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my audit report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. I describe these matters in my audit report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

In addition, Section 10 (2) of the Public Audit Act, Cap 418 requires me to satisfy myself that, the accounts have been prepared in accordance with the appropriate accounting standards.

Further, Section 48(3) of the Public Procurement Act, 2011 requires me to state in my annual audit report whether or not the audited entity has complied with the procedures prescribed in the Procurement Act and its Regulations.

## **1.2. REPORT ON COMPLIANCE WITH LEGISLATIONS**

### **1.2.1. Compliance with the Public Procurement Laws.**

**Subject matter: Compliance audit on procurement of works, goods and services**

I performed a compliance audit on procurement of works, goods and services in the Tanzania Fertilizer Regulatory Authority for the financial year 2021/22 as per the Public Procurement Laws.

#### **Conclusion**

Based on the audit work performed, I state that, procurement of works, good and services of the Tanzania Fertilizer Regulatory Authority is generally in compliance with the requirements of the Public Procurement Laws.

### **1.2.2. Compliance with the Budget Act and other Budget Guidelines**

**Subject matter: Budget formulation and execution**

I performed a compliance audit on budget formulation and execution in the Tanzania Fertilizer Regulatory Authority for the financial year 2021/22 as per the Budget Act and other Budget Guidelines.

#### **Conclusion**

Based on the audit work performed, I state that Budget formulation and execution of Tanzania Fertilizer Regulatory Authority is generally in compliance with the requirements of the Budget Act and other Budget Guidelines.

Charles E. Kichere  
Controller and Auditor General  
Dodoma, United Republic of Tanzania.  
March 2023

## 2.0 REPORT OF BOARD OF DIRECTORS FOR THE YEAR ENDED 30 JUNE 2022

### 2.1. Introduction

In compliance with the Public Corporations Act, 1992 and the Tanzania Financial Reporting Standard No. 1 on Directors' Report, the Board of Directors are pleased to submit their report and audited financial statements of Tanzania Fertilizer Regulatory Authority (TFRA) for the year ended 30 June 2022.

### 2.2. Establishment

TFRA was established by the Fertilizer Act, No 9 of 2009 and started its functions in August 2012 with the purpose of making provisions for regulating the manufacturing, importation, exportation, distribution, sale and utilization of agricultural fertilizers to repeal the Fertilizer and Animal Food Stuffs Act of 1962, Cap. 378 and provide for other related matters. Since its inception TFRA deliberate efforts has been made to create a conducive working environment that will support the Institutional mandates provided in the Act.

### 2.3. Organization's Strategic Objectives

Tanzania Fertilizer Regulatory Authority (TFRA) is determined to be one of the Government's Institutions with significant contribution to the national economic development and improving the welfare of the Tanzania society through enhancing the growth of Agriculture sector by guaranteeing the availability of quality fertilizer and fertilizer supliment in the country. It's through this drive that TFRA has set out 5 startegic objectives in its Strategic Plan 2021/22 - 2025/26;

- Non Communicable diseases, HIV/AIDS and Viral infections reduced and supportive services improved.
- Effective Implementation of National Anti-Corruption strategy enhanced.
- Good Governance and Institutional Capacity to regulate fertilizer strengthen.
- Enhance quality, availability and affordability of Regulated services.
- Strengthen the Information Management System and Public knowledge awareness.

### 2.4. Capital Structure

The Authority is a wholly owned Government Institution under the Ministry of Agriculture.

#### Liquidity

The liquidity ratio indicates that as at 30 June 2022, TFRA was finacially health as it could meet its obligation eight (8) times when they become due.

The Authority places strong measures on managing liquidity position and daily cashflow management is handled by the Finance and Accounts department to ensure that the Institution holds suffient funds to enable it to continue with its operations.

### 2.5. Cash flow

During the year under review, TFRA cash inflows increase by TZS 2.74 billion (2020/21:TZS 701 million) while the cash outflows also increased by TZS 2.86 billion (2020/21: TZS 604 million).

Government subvention, fees on imports and exports and fines on non compliance to Fertilizer Regulations are the major factors that have influenced the cashflows during the period.

## 2.6. Vision

Quality fertilizer to all farmers for agriculture sustainability.

## 2.7. Mission

To ensure availability, accessibility and affordability of quality fertilizer and fertilizer supplements to all farmers through regulating fertilizer industry for sustainable agricultural productivity.

## 2.8. Principal Activities

1. To regulate all matters relating to quality of fertilizers and sterilizing plants;
2. To conduct registration of all fertilizer and fertilizer supplements dealers and their premises;
3. To license fertilizer dealers;
4. To provide permits for importation and exportation of fertilizer and fertilizers supplements;
5. To inspect fertilizer and fertilizer supplements for quality assurance;
6. To conduct regular training of stakeholders on fertilizer matters; and
7. To provide technical advice to the government and other institutions on all matters relating to fertilizer and fertilizer supplements management and control.

## 2.9. Composition of the Board of Directors

The Board of Directors comprised of 12 members including the Executive Director as co-opted member. The chairman of the Board is Prof. Anthony M. Mshandete who was appointed on 9 September 2019.

The Chairman of the Authority is appointed by the President of the United Republic of Tanzania, for a term of three years. The Executive Director of the Authority is appointed by the President on the advice of the Minister of Agriculture from among persons who possess relevant qualifications and competence to manage efficiently and effectively the affairs of the Authority. The current members of the Board of Directors were appointed by the Minister of Agriculture on 9 September 2019 who will serve for three years are indicated below:

Table 1: Board of Directors

S/N	Name	Title	Age	Qualification	Nationality
1.	Prof. Anthony M. Mshandete	Chairman	59	PhD in Applied Microbiology	Tanzanian
2.	Ms. Tabu A. Likoko	Member	59	Masters in Sociology	Tanzanian
3.	Mr. Sospeter W. Mtemi	Member	56	MSc Soil and Physical resources Management.	Tanzanian
4.	Mr. Charles Chenza	Member	59	Masters in Economics	Tanzanian
5.	Ms. Veronica J. Sophu	Member	53	Standard Seven	Tanzanian
6.	Mr. Lawrence B. Chenge	Member	37	Masters in Food Quality and safety assurance	Tanzanian

S/N	Name	Title	Age	Qualification	Nationality
7.	Dr. Menan Jangu	Member	53	PhD in Natural resources Management	Tanzanian
8.	Mr. Machibya A. Machibya	Member	40	Masters in Nuclear and quantum Engineering	Tanzanian
9.	Dr. Abdul K. Biyusa	Member	45	PhD in Agriculture	Tanzanian
10.	Dr. Catherine Senkoro	Member	60	PhD in soil Science	Tanzanian
11.	Dr. Stephan Ngailo	Secretary	52	PhD in Plant Breeding	Tanzanian

During the year under review, a total of six board meetings were conducted, of which four were ordinary and two were extra ordinary. Among other issues, the following were discussed:

- TFRA's activity and financial performance for 2021/22
- Internal audit report for the period
- Implementation of the Controller and Auditor General report on the Financial Statements for the financial year ended 30 June 2022.
- Report on fertilizer laboratory construction status
- Evaluation of fertilizer bulk procurement process
- Report on technical and general administration of the Authority

#### 2.10. Committees of the Board of Directors

To ensure effective and efficient implementation of the Authorities' activities, the Board formed two committees namely as Technical Committee and the Audit Committee. The committees are responsible for reviewing various activities of the Authority and advise the Board for decision making. The members of each committee are as follows:

#### 2.11. Technical Committees of the Board of Directors

Section 6(2) of the Act requires the Board to establish a Technical Committee consisting of such number of competent persons in fertilizer matters as it may deem necessary. The members who served in the committee since January 2020 are as follows:

Table 2: Members of the Technical committee

S/N	Name	Title	Age	Qualification	Nationality
1.	Mr. Anthony Machibya	Chairman	40	Masters in Nuclear and quantum Engineering	Tanzanian
2.	Ms. Veronica Sophu	Member	53	Standard Seven	Tanzanian
3.	Mr. Sospeter Mtemi	Member	56	MSc. Soil and Physical resources Management.	Tanzanian
4.	Mr. Lawrence Chenge	Member	37	Master's in food quality and safety assurance	Tanzanian

During the year under review, a total of five (5) meetings were conducted. Among other issues, the following were discussed:

- Fertilizer inspection reports on fertilizer dealers
- Report on the fertilizer investments in the country.
- Internal audit reports and administrative issues
- TFRA various SOPs

## 2.12. Audit Committee

The members who served in the committee since 7 March 2020 were as follows:

Table 3: The members of the Audit committee

S/N	Name	Title	Age	Qualification	Nationality
1.	Mr. Charles Chenza	Chairman	59	Masters in Economics	Tanzanian
2.	Dr. Catherine Senkoro	Member	59	PhD in soil Science	Tanzanian
3.	Ms. Tabu Likoko	Member	59	Masters in Sociology	Tanzanian
4.	Dr. Abdul Biyusa	Member	49	PhD in Agriculture	Tanzanian
5.	Dr. Menan Jangu	Member	53	PhD in Natural resources Management	Tanzanian

The committee held six (6) meetings during the current year and among other issues, deliberated on the risk, control and compliance frameworks of the Authority and provided independent assurance and assistance to the Board of Directors.

## 2.13. Corporate Governance

The Board takes overall responsibility for the Authority, including responsibility for identifying key risk areas, considering and monitoring investment decisions, considering significant financial matters and reviewing the performance of management plans and budgets. The Board is also responsible for ensuring that a comprehensive system of internal control policies and procedures is operative, and for compliance with sound corporate governance principles.

The Board is required to meet at least four times in a year. The overall management of the Authority is vested to the Board of Directors, while the day-to-day affairs of the Authority are looked after by the Executive Director. Where necessary, the management team is invited to attend board meetings and facilitate effective control of all Authority's operational activities, acting as a medium of communication and coordination between all the various business units.

## 2.14. Management Team

During the period under review, management of the Authority was under the Executive Director assisted by;

- Director of Regulatory Services;
- Director of Domestic Manufacturing and Bulk Procurement System;
- Director of Corporate Services;
- Manager Public Procurement Unit;
- Manager Legal services;
- Manager Internal Audit;
- Manager Information Technology and Statistics;

- h) Manager Public Relation, Communication and Education;
- i) Manager Finance and Accounts

## 2.15. Performance for the year ended 30 June 2022

### Registration, Licensing and Issuance of Permits for Fertilizer Import and Export

TFRA is mandated to register, license and issue permits for export and import of fertilizers and fertilizer supplements. In 2021/22, a total of 3,223 (2020/21: 2,107) fertilizer dealers were registered, being an increase of 1,116 (53%). Similarly, in 2021/22 a total of 455 (2020/21: 399) permits to import and 123 (2020/21: 94) permits to export fertilizers were issued, being an increase by 14% and an increase by 30.85% respectively. Also, during the year under review a total of 372,855 (2020/21: 504,122) metric tonnes of fertilizer were imported and 98,054 (2020/21: 172,254) metric tonnes of fertilizer were exported, being a decrease of 26% in imports and an increase of 43% in exports respectively.

### Fertilizer Inspection

In order to control the quality of fertilizers for end users, regular inspections were carried out to 3,399 (2020/21: 2,386) fertilizer dealers in regions of Tanzania mainland. The inspection involved; warehouses and shops owned by fertilizer companies and agro dealers. It was revealed that some of agro dealers had inadequate knowledge and skills on storage and handling fertilizers and thus they were provided with training as corrective measures for strengthening working premises.

### Creating awareness to the public on sound application and management of fertilizers and fertilizer supplements

Proper application and management of fertilizer is very important in agricultural production and productivity. Creation of fertilizers' stakeholders' awareness on fertilizer application was carried out during Mbolea Day in Ruvuma and Nane Nane exhibitions in the regions of Simiyu, Arusha, Lindi, Morogoro and Mbeya, also through demo plots in Mtwara and Lindi regions.

Furthermore, TFRA used Radio, Televisions and Magazines such as Radio One, TBC Taifa, MEGA FM, Abod FM Tanzania Broadcasting Corporation (TBC), Independent Television (ITV), Channel Ten, Azam TV, Abod TV, Star TV, Mwananchi, Uhuru, Habari Leo, Majira, The Citizen, Nipashe, The Guardian and Daily News to increase awareness to the public on fertilizer applications and management.

During the year ended 30 June 2022, TFRA reported a deficit/surplus of TZS 82,565,360 (2020/2021: TZS 415,882,176), a decrease of 120% from previous year surplus. A decrease in surplus was mainly attributed by an increase of 94% in salaries and employment benefits and increase of 57% in supplies & consumables.

## 2.16. Principal risks and uncertainties

The Board accepts final responsibility for the risk management and internal control systems of the Authority. It is the task of management to ensure that adequate internal financial and operational control systems are developed and maintained on an ongoing basis in order to provide reasonable assurance regarding:

- a) Effectiveness and efficiency of operations;
- b) Safeguarding of the Authority's assets;
- c) Compliance with applicable laws and regulations;
- d) Reliability of accounting records;
- e) Business sustainability under normal as well as adverse conditions; and
- f) Responsible behaviours towards all stakeholders.

The efficiency of any internal control system is dependent on the strict observance of prescribed measures. There is always a risk of non-compliance of such measures by staff. Whilst no system, of internal control can provide absolute assurance against misstatement or losses, the Authority is designed to provide the Board with reasonable assurance that the procedures in place are operating effectively. The Board assessed the internal control systems throughout the financial year ended 30 June 2022 and is of the opinion that they met accepted criteria. The Board carries risk and internal control assessment through the Board Committee.

#### **2.17. Going concern assumption**

The Directors confirm that the applicable accounting standards have been followed and that the financial statements have been prepared on a going concern basis. The Board of Directors has reasonable expectation that Authority has adequate resources to continue in operational existence for the foreseeable future.

#### **2.18. Employees' Welfare**

##### **Management and Employees' Relationship**

The Authority has an approved establishment of 85 staff. During financial year 2021/22, a total of 26 staff were transferred to TFRA thus bringing the number of staff to 87. The increase was mostly driven by the operation of zonal offices and improvement of service delivery.

The TFRA is an equal opportunity employer. It does not discriminate employees in respect of sex, religious, disability, age or marital status. TFRA recognizes the need for ensuring fair employment practices in recruitment and selection, and the retention, learning and career development of staff. The recruitment process is transparent, non-discriminatory and open to all Tanzanians who are eligible and qualify.

##### **Medical Assistance**

Authority's employees enjoy a wide range of medical care benefits provided by National Health Insurance Fund (NIHF) 2021/22 44,071,085 employees and 2020/21 20,003,719 employees under a compulsory health insurance scheme to which the Authority makes contribution. Services not offered under the scheme are paid for by the Authority through a cost sharing system. Special medical cases and burial expenses are fully paid for employee and spouse.

##### **Health and Safety**

The Authority has a strong health and safety policy, which ensures that a strong culture of hygiene and safety prevails at all times. A safe working environment is ensured for all employees and contractors by providing adequate and proper personal protective equipment, training and

supervision as per safety requirements requirements laid down under Occupational Health and Safety Act 2003.

#### **Employees Benefit Plans**

The Authority pays contributions to publicly administered Pension Funds as required by law. In this year 2021/22 the Authority contributed TZS 290,618,636, to pension funds as reflected in note 6.14.

#### **Persons with Disabilities**

TFRA does not discriminate persons with disability. In the event a member of staff has become disabled, every effort is made to ensure that their employment with the Authority continues and appropriate training and working environment is arranged.

#### **Gender Equity**

It is the Authority's policy to give equal opportunities to persons of the feminine gender in both employment and training. As at 30 June 2022, the Authority had the following staff by gender:

Gender	2021/22	2020/21
Female	29	21
Male	58	40
Total	87	61

#### **2.19. Related party transactions and balances**

All related party transactions and balances are disclosed in Note 6.21 to these financial statements. Transactions with related parties were conducted at terms and conditions similar to those offered to other entities.

#### **2.20. Corporate social responsibility**

Tanzania Fertilizer Regulatory Authority values responsible corporate citizenship, amongst the initiatives and endeavours that the Authority's participation includes support of Government and Non-Governmental Organizations. During the year under review, the Authority did not engage in any corporate social responsibility activity.

#### **2.21. Relationship with stakeholders**

The Authority continued to maintain a good relationship with all stakeholders such as TARI, SUA, TBS, GCLA, TRIT, TORITA, IITA, TPRI etc.

#### **2.22. Environmental Conservation**

In order to conserve the environment, the Authority is keen to ensure that all waste generated are safely disposed-off. Moreover, TFRA has been conducting environment assessment before the start of new projects.

#### **2.23. Accounting policies and critical judgement and estimates**

Results of the entity are sensitive to the accounting policies, assumptions and estimates that underlie the preparation of the financial statements. When preparing the financial statements, it is the Directors' responsibility under the Director's Incorporation Ordinance (Cap. 375) of 1956

to select suitable accounting policies and to make judgments and estimates that are reasonable and prudent. The accounting policies that are deemed critical to our results and financial position, in terms of the materiality of the items to which the policies are applied and the high degree of judgment involved, including the use of assumptions and estimation, are described in Notes 6.2 to the financial statements.

#### 2.24. Fiduciary responsibility

Members of the Board as stewards of public trust always acted for the good of the Authority rather than for the benefit of themselves throughout the period. Reasonable care was exercised in all decisions taken by the Authority without placing the Authority under unnecessary risks.

#### 2.25. Subsequent events

There are no subsequent events, which require disclosure in or adjustment of the financial statements.

#### 2.26. Independent Auditors

The Controller and Auditor General (CAG) is the statutory auditor of Tanzania Fertilizer Regulatory Authority by virtue of Article 143 of the constitution of the United Republic of Tanzania (URT), as amplified by section 32 (4) of the Public Audit Act, Cap 418 (R.E. 2021). However, CAG authorized M/s Techno Auditors, Certified Public Accountants of Hanang' Street Mikocheni B, P.O. Box 3758, Dar es Salaam to carry out the audit of Tanzania Fertilizer Regulatory Authority for the financial year ended 30 June 2022 on his behalf.

Approved by Board of Directors for issue and signed on its behalf by:

AMshandete

Prof. Anthony M. Mshandete  
Board Chairman

Date: 02/09/2022

### 3.0 STATEMENT OF DIRECTORS' RESPONSIBILITIES

The provisions of the Directors' Incorporation Ordinance (Cap. 375) of 1956 requires the Directors to prepare financial statements for each financial period that give a true and fair view of the state of affairs of the entity as at the end of the financial year and of its profit or loss. The Directors are also obliged to ensure that the entity keeps proper accounting records that disclose, with reasonable accuracy, the financial position of the entity. They are also responsible for safeguarding the assets of the entity.

The Directors accept responsibility for the annual financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgments and estimates, in conformity with International Public Sector Accounting Standards (IPSAS). The Directors are of the opinion that the financial statements give a true and fair view of the state of the financial affairs of the entity and of its loss in accordance with International Public Sector Accounting Standards (IPSAS). The Directors further accept responsibility for the maintenance of accounting records that may be relied upon in the preparation of financial statements, as well as designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement.

Nothing has come to the attention of the Directors to indicate that the entity will not remain a going concern for at least twelve months from the date of this statement.

Approved by Board of Directors for issue and signed on its behalf by:

Prof. Anthony M. Mshandete  
Board Chairman

Date: 02 / 09 / 2022

#### 4.0 DECLARATION OF THE HEAD OF ACCOUNTING

The National Board of Accountants and Auditors (NBAA) according to the power conferred under the Auditors and Accountants (Registration) Act. No. 33 of 1972, as amended by Act No. 2 of 1995, requires financial statements to be accompanied with a declaration issued by the Head of Finance/Accounting responsible for the preparation of financial statements of the entity concerned.

It is the duty of a Professional Accountant to assist the Board of Directors/Management to discharge the responsibility of preparing financial statements of an entity showing true and fair view of the entity position and performance in accordance with applicable International Accounting Standards and statutory financial reporting requirements. Full legal responsibility for the preparation of financial statements rests with the Board of Directors/Governing Body as under Directors Responsibility statement on an earlier page.

I, CPA David Allan Dotto, being the Head of Finance/Accounting of Tanzania Fertilizer Regulatory Authority hereby acknowledge my responsibility of ensuring that financial statements for the year ended 30 June 2022 have been prepared in compliance with applicable accounting standards and statutory requirements.

I thus confirm that the financial statements give a true and fair view position of Tanzania Fertilizer Regulatory Authority as on that date and that they have been prepared based on properly maintained financial records.

Signed by: David Allan Dotto

Position: Manager Finance and Accounts

NBAA Membership No.: ACPA2011

Date: 02/09/2022

\*The accompanying notes are integral part of the financial statements.

\*The Statement of Comparison of Budget and Actual performance is prepared on cash basis.

**6.0 NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022****General Information**

Tanzania Fertilizer Regulatory Authority (TFRA) was established by the Fertilizer Act of 2009 and came into operation on 28 August 2012. The Authority is the regulatory body of the fertilizers industry in Tanzania, with objective of increasing agricultural production and productivity through provision of good quality fertilizers and fertilizer supplements. Its registered office address at Head quarters is located at Kilimo I Complex Building, Mandela Road, Temeke Veterinary in Dar es Salaam. Apart from its Head Office in Dar es Salaam, the Authority has three (4) zonal operational offices in Southern Highland, Northen, Central and Lake areas.

**Basis of preparation and accounting policies**

The accompanying financial statements have been prepared in accordance with International Public Sector Accounting Standards (IPSAS), Tanzania Financial Reporting Standards (TFRS) No. 1 and Fertilizer Act of 2009. The financial statements have been prepared under the historical cost convention. No adjustments have been made for inflationary factors affecting the financial statements. The financial statements have been prepared on the basis of historical cost except where otherwise stated in the accounting policies. The cash flows statement is prepared using the direct method.

The preparation of financial statements in conformity with IPSAS requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Authority's accounting policies. The areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements are separately disclosed in the notes.

**Significant Judgments and Sources of Estimation Uncertainty**

The preparation of the Authority's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

The key judgments Management has made in preparing the financial statements are as follows:

- i. The useful lives and residual values of intangible assets and Property, Plant and Equipment are assessed using the following indicators to inform potential future use and value from disposal:
  - a. The condition of the asset;
  - b. The nature of the asset, its susceptibility and adaptability to changes in technology and processes;

- c. The nature of the processes in which the asset is deployed;
  - d. Availability of funding to replace the asset;
  - e. Changes in the market in relation to the asset.
- 
- ii. Provisions were raised and management determined an estimate based on the information available. Provisions are measured at the management's best estimate of the expenditure required to settle the obligation at the reporting date, and are discounted to present value where the effect is material.
  - iii. Key estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

### Principal Accounting Policies

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied throughout preparation of these financial statements, unless otherwise stated.

#### 6.2.1. Foreign Currency Translations

##### Functional and Presentation Currency

The financial statements are presented in Tanzania Shillings, which is the Authority's functional and presentation currency.

##### Transactions and Balances

Foreign currency transactions are translated into Tanzanian shillings at the rates of exchange ruling at the dates of the transactions. Monetary assets and liabilities at the year-end expressed in foreign currencies are translated into Tanzanian shillings using BOT prevailing rates of exchange at the end of the financial year which was USD/TZS 2,309.38. The resultant gains/losses on exchange rate translations are dealt with in the Statement of Financial Performance.

#### 6.2.2. Revenue recognition

Revenue comprises of the fair value of Government Subvention, Import & Export permit fees and other Revenue.

Revenue is recognized as follows:

##### Government Subvention

Funds disbursed by the Government to the Authority to assist in carrying out its functions are recognized as income when received by crediting the amount to the statement of financial performance.

**Import and Export Fees**

Funds collected by the Authority from issuing import/ export fertilizer permits to fertilizer dealers.

**Other Revenue**

Other revenue is recognized in the accounting period in which they relate on accrual basis.

**6.2.3. Property, plant and equipment.**

Property, plant and equipment are initially recorded at historical cost which includes expenditure that is directly attributable to the acquisition of the items. Subsequently, property, plant and equipment are valued at cost amounts, less subsequent depreciation. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate only when it is probable that the future economic benefits associated with the item will flow to the Authority and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the statement of financial performance during the financial period in which they are incurred.

Depreciation is charged so as to allocate the cost of assets less their residual values over their estimated useful lives, using the straight-line method. The estimated useful lives are as follows:

Motor Vehicles	5 years
Computer Equipment	4 years
Office Equipment	5 years
Motor Cycles	7 years
Furniture, fittings and fixtures	5 years

If there is an indication that there has been a significant change in depreciation rate, useful life or residual value of an asset, the depreciation of that asset is revised prospectively to reflect the new expectations.

**6.2.4. Computer and System Software**

Intangible assets consist of computer software licenses which are capitalized based on the cost incurred to acquire and bring to use the specific software. The cost is amortized over their estimated useful lives which are estimated to be 20 years. Intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Intangible assets are amortized over the useful economic life and assessed at each reporting date whether there is any indication that an asset may be impaired. If any such indication exists, the authority shall estimate the recoverable service amount of the asset.

Generally, costs associated with developing computer software programs are recognized as an expense when incurred. Intangible assets acquired are measured on initial recognition at cost.

#### 6.2.5. Impairment of Assets

Assets that are subject to the depreciation are reviewed for impairment in accordance with IPSAS 21 and IPSAS 26 whenever events or changes in circumstances indicate that the carrying amount may not be recoverable.

An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable service amount. A non-cash-generating asset is impaired when the carrying amount of the Asset exceeds its recoverable service amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separable identifiable cash flows (cash generating units).

#### 6.2.6. Cash and Cash Equivalents

Cash and cash equivalents are carried in the Statement of Financial Position at face value. For the purpose of Cash Flow Statement, cash and cash equivalents comprise cash in hand; deposits held on call and fixed deposits.

#### 6.2.7. Provisions

Provisions are recognized when the Authority has a present legal or constructive obligation as a result of past event for which it is probable that a transfer of economic benefits will be required to settle the obligation and a reliable estimate of the amount can be made.

#### 6.2.8. Employee benefits

##### Short term employee benefits

Short term employee benefits (other than termination benefits) that are expected to be settled wholly before twelve months after the end of the annual reporting period in which the employee renders the related service.

##### Post-employment benefits

Post-employment benefits are benefits (other than terminal benefits and short-term employee benefits) that are payable after the completion of employment.

##### (i) Other long-term benefits

Other long-term benefits are benefits other than short-term employment benefits, post-employment benefits and termination benefits. No outstanding for this category.

##### (ii) Termination benefits

Termination benefits are benefits provided in exchange for the termination of an employee's employment as a result of either: -

- a) An entity's decision to terminate an employee's employment before the normal retirement date; or
- b) An employee's decision to accept an offer of benefits in exchange for the termination of employment.
- c) No outstanding for this category.

## 6.25. Foreign currency

Foreign currency transactions are translated into Tanzanian shillings at the rates of exchange ruling at the dates of the transactions. Monetary assets and liabilities at the year-end expressed in foreign currencies are translated into Tanzanian shillings using BOT prevailing rates of exchange at the end of the financial year which was USD/TZS 2,309.38. The resultant gains/losses on exchange rate translations are dealt with in the Statement of Financial Performance.

**6.26: Explanation of material variances**

The summary below provides explanation of material variances recorded for the period from July 1, 2021 through June 30, 2022.

**a) Travelling and training expenses**

The increase in travelling and training expenses was highly attributed by a commencement of 3 Zonal operational offices (Southern, Northern and Lake zone) and an increase in the number of staffs by 23 (41%) from previous year.

**b) Board meeting expenses**

The increase in variance of 243% attributed by the fact that all expenses incurred during the board activities were fully booked under board meeting expenses including transport, meals and allowances.

## 6.27 Explanations of variance between budget and actual amounts

The Authority actual revenue for the year 2021/22 was TZS 8,106,868,018 was below the budgeted amount of TZS 9,296,549,908 by TZS 1,189,681,890, a decrease of 13%. The significant decrease in revenue was attributed by the lack of project funding as budgeted. The expenditure for the Authority amounted to TZS 88,762,259,174, which is TZS 534,290,734 below the budget of TZS 9,296,549,908. The details of overspending and under spending are provided below;

Receipts:	Original Budget TZS	Final Budget TZS	Actual Amounts On comparable basis TZS	Variance Budget vs Actual TZS	Comment
Government subvention	826,549,908	826,549,908	1,453,093,179	626,543,271	Actual payroll received from Treasury for civil servants of which include staff transferred to the Authority which were not budgeted.
Fees, fines & penalties	7,335,146,321	7,335,146,321	6,597,454,589	(737,691,732)	Decrease in import and export in fertilizer tonnages due to emergence of Russia - Ukraine war.
Tender documents	40,736,006	40,736,006	8,930,704	(31,805,302)	Actual from tendering activities as BPS revoked.
Other (forex gain, projects)	1,094,117,673	1,094,117,673	47,389,546	(1,046,728,127)	Lack of donor project funding as project proposal submitted were not achieved.
<b>Total Receipts</b>	<b>9,296,549,908</b>	<b>9,296,549,908</b>	<b>8,106,868,018</b>	<b>(1,189,681,890)</b>
